Mahima Pandey

MERN Stack Developer || B.Tech CSE '24 || Exploring Opportunities
|| Embracing New Learning Adventures
Delhi, India

Summary

I'm a passionate fourth-year BTech student specializing in Computer Science with a strong foundation in the MERN stack. I'm constantly seeking opportunities to learn, grow, and contribute my skills to innovative web development projects.

Here's a glimpse of my skillset :

- * Front-End Development: Proficient in building user-friendly and responsive web interfaces using React.js and related libraries.
- * Back-End Development: Adept at building robust and scalable APIs using Node.js and Express.js.
- * Database Management: Experienced in designing and using MongoDB databases to efficiently store and manage data.

More than just technical skills, I possess:

- * Strong problem-solving and analytical skills: I thrive in tackling complex challenges and finding creative solutions.
- * Effective communication: I can clearly articulate technical concepts and collaborate efficiently with teams.
- * Passion for learning: I'm always eager to explore new technologies and stay updated with the latest trends in web development.

Currently, I'm actively seeking opportunities to utilize my skills in real-world projects, whether through internships, freelance work, or open-source contributions.

Experience

Prodigy InfoTech
Web Development Intern
August 2023 - August 2023 (1 month)

Education

Roorkee Institute of Technology

Bachelor of Technology - BTech, Computer Science · (2020 - 2024)

Bal Bhavan International School - India

XII - PCM with CS · (2018 - 2019)
